**Limitation on Liability:** The BASIS-24 Online WebScore Service is a patient self-report rating scale of symptom and problem difficulty, used primarily to assess outcomes of treatment. It is designed to be given by a qualified healthcare provider (clinician, nurse or mental health worker) at the beginning of a treatment episode to serve as a baseline assessment of the patient's perspective of his/her own symptoms and problems. The BASIS-24 Online WebScore Service can then be used by a qualified healthcare professional at discharge or at a time point during treatment to assess improvement in symptom and problem difficulty from the patient's perspective. Improvement may be ascertained by comparing scores at intake with scores at discharge or a later time point. Decreases in symptom difficulty are one measure that may indicate some improvement. BASIS-24 Online WebScore Service is not a clinical assessment tool and it is not designed to replace a clinical evaluation; accordingly, a provider should fully evaluate any patient before relying on survey results to make diagnostic or treatment-related decisions. The BASIS-24 Online WebScore Service is one measure of how patients perceive their own symptoms and problems and may be used together with other measures to identify goals for treatment based on patients' symptom and problem identification. The BASIS-24 Online WebScore Service does not recommend treatment, nor does it make a diagnosis. The information contained and generated in these materials is not intended nor implied to be a substitute for medical diagnosis or treatment or for professional medical advice. IN NO EVENT SHALL MCLEAN OR ANY AFFILIATE OF MCLEAN BE LIABLE TO LICENSEE, OR ANY PATIENT OF LICENSEE OR ANY OTHER THIRD PARTY FOR ANY DAMAGES ARISING OUT OF LICENSEE'S USE OF THE BASIS-24 Online WebScore Service INCLUDING WITHOUT LIMITATION CONSEQUENTIAL, INCIDENTAL, SPECIAL, EXEMPLARY OR INDIRECT DAMAGES, , INCLUDING BUT NOT LIMITED TO, LOSS OF PROFITS OR REVENUES, LOSS OF USE, OR LOSS OF INFORMATION OR DATA, WHETHER A CLAIM FOR ANY SUCH LIABILITY OR DAMAGES IS PREMISED UPON BREACH OF CONTRACT, BREACH OF WARRANTY, FULFILLMENT OF WARRANTY, NEGLIGENCE, STRICT LIABILITY, OR ANY OTHER THEORIES OF LIABILITY, EVEN IF MCLEAN HOSPITAL CORPORATION HAS BEEN APPRISED OF THE POSSIBILITY OR LIKELIHOOD OF SUCH DAMAGES OCCURRING.
